

All Rhythms

BROCHURE 2021-2022

Mission Statement

The mission of All Rhythms is to inspire and establish life-long learning habits through music and arts education and performance for all ages and dispositions, with an emphasis on serving underserved populations.

About Us

Collectively, our musicians have decades of musical experience, international touring experience throughout the U.S. and internationally, and awards that include Grammy nominations and Austin music awards, among others.

Services:

- ❖ 10-piece Latin Band:
 - Music for any occasion: We play traditional Cuban, Caribbean, Son, and Salsa Music, with our 10-piece Latin band.

- ❖ Interactive Performances and Storytelling
 - These performances involve audience interaction and music-making.
 - Programs include: a reading of the Cuban folk-tale Martina the Beautiful Cockroach with live music accompaniment, or a video presentation of recent trips to Cuba.
 - Musical, creative, and analytical skills are emphasized.

- ❖ Music Enrichment Courses and Youth Ensemble – During and after-school
 - These classes can be percussion-based, guitar-based, piano-based, or a mixed-ensemble band.
 - Skills built include: how to play together at different tempos and feels, song arrangement, how to blend with each other in the group, and general musicianship.
 - Participants are exposed to new music styles and may choose some of the repertoire they work on.
 - These programs promote positive social and emotional learning practices.

- ❖ Master Classes and Ensemble Coaching:
 - Master classes and Ensemble Coaching broach a wide variety of topics and musical genres, and are taught by experienced music and arts performers and educators.
 - Master class themes include: TMEA Audition Preparation, Jazz Drum Set, Classical Percussion, Latin Percussion, General Musicianship and Ensemble Playing, Classical Guitar, and more.

Please contact Executive Director Ian Fry at the contact information below if you are interested in receiving a quote for services based on your specific needs.
